Ebook Details:

Review: An excellent book I did not want to put down. Truly a clear explanation how the compassionate spirits work through the Shamanic practitioner. I believe having compassion for the lost spirits is something we all need to understand! I found myself feeling very emotional while reading about the author's examples of his own experiences. I appreciate this...

Description: "I've written this book to demystify a spiritual healing practice that is deeply misunderstood, of wonderful benefit, and much needed on a scale few people would suspect. Depossession has been part of the "natural hygiene," so to speak, of countless human communities in many cultures through all time. This book is based upon my extensive first-hand...
